

Welcome to Saftronics

I am delighted to hear that you will soon be visiting Saftronics. In order to aid your visit to our offices, I am pleased to detail a few basics below that I hope you will find useful.

HOW TO FIND US...

By Car

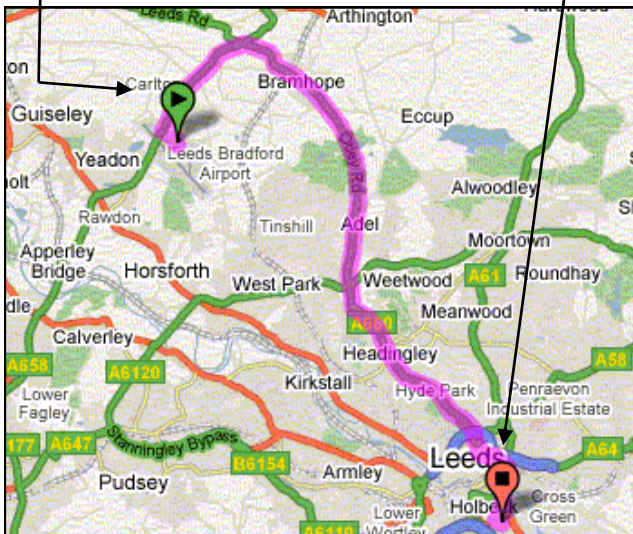

We are located in Leeds, West Yorkshire. Directions to our offices can be obtained via [Google Maps](#), simply enter the postcode LS10 1BQ.

By Air

Leeds Bradford International Airport
to Saftronics

Distance: 11.9 miles

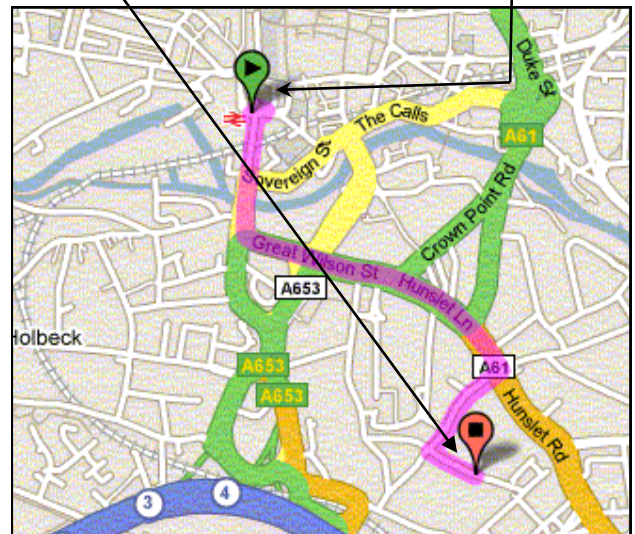

saftronics

By Rail

Leeds Railway Station
to Saftronics

Distance: 1.2 miles

CAR PARKING

For visitors who require disabled access we have dedicated parking and full facilities on our ground floor. If you anticipate the need to use these facilities simply let us know beforehand and we will ensure that assistance is provided if required.

We have several parking spaces allocated for visitors in our car park. If these are however occupied please accept our apologies; there is also on-street parking.

For health and safety reasons there may, at times, be restricted access into the factory yard whilst vehicles are being loaded/unloaded. If this is the case, please contact Reception on 0113 2457170 on your arrival who will meet and escort you to Reception via an alternative safe route.

NO SMOKING

Saftronics operate a no smoking policy throughout the building and grounds. We appreciate your co-operation in maintaining this policy.

RECEPTION

Our opening hours are from 8.00am to 5.00pm.

Upon arrival please report to our Reception area and ask for your contact, they will meet you at Reception and introduce you to the team that will be involved in your visit.

LUNCHES/REFRESHMENTS

Complementary lunches will be provided for clients: Please advise us of any special dietary requirements you may have. Refreshments are also available throughout the day.

INTERNET ACCESS

Saftronics is pleased to provide Internet access for our visitors during their visit. Wireless coverage is available in the Reception area and all conference rooms. Wired connections are also available within the Reception area.

PROTECTIVE CLOTHING

Where necessary, protective clothing is provided by Saftronics on a loan basis. However, we ask that our visitors provide their own robust and sensible foot wear (not training shoes or sandals) when your visit involves working in our factory. These shoes do not have to be steel toe capped.

LOCAL ACCOMMODATION
